

# Taringa Health Centre

## (Colon Therapist, Casual, Full or Part Time)

### Overview

**Position Title:** Colon Therapist

**Position Type:** Casual position, Full or Part Time.

**Purpose of Position:** To support and contribute to the efficient provisions of consistent high quality services offered to clients by the Centre.

**Rate of Pay:** Hourly rate, plus payment for each colonic performed. Further details to be advised.

### Career Opportunity Overview

Taringa Health Centre (THC) is an established natural health centre operating for twenty years, which specialises in Colon Hydrotherapy and operates three clinics – Southport, Mudgeeraba and Newcastle (NSW). The centre employs seven staff, four of which work at the Southport clinic at 31 Alicia Street, Southport.

THC maintains a very “relaxed and down to earth” working environment. The geographic location is set in a pleasant and quiet small business/residential area.

The centre is seeking Colon Therapists to work in its Southport clinic. Applicants must have an interest in natural health therapies.

Successful applicants will receive training certified by the Australian Institute of Health and accredited by the Australian Colon Health Association Inc.

Successful applicants must agree to stay employed with Taringa Health Centre for at least fifteen (15) months. This includes a (3) month probationary period.

Employees will receive an hourly rate of payment, plus a rate of payment per colonic performed.

Five (5) full days of theoretical training will be given, followed by on-the-job practical training in colon hydrotherapy, clinical routines and further theoretical training as necessary, stretching over a three month period (the probationary period).
